Helena, Montana 59601

MONTANA STATE LIBRARY

GREETINGS,

An effective state government is a government that communicates — not only with each other, but also with the public. Those of us of who work in state government do not serve state government; ***we serve Montanans****. The best way — the only way — to do that is to listen and to learn what Montanans want.*

This state phone book is intended to enhance those communications. I hope you will find it useful. By talking and listening to each other, we can create a Montana that fits its citizens like a favorite shoe — comfortably and securely.

Sincerely,

Ted Schwinden

TED SCHWINDEN
Governor

All STS calls are recorded giving originating number, time of day, number dialed and length of call.

STATE TELEPHONE SYSTEM SERVICE ORDERS

TELEPHONE SERVICES REQUEST forms are required for installation, modification, relocation, removal or other changes to your service and should be submitted to the Communications Division at least 30 days prior to date of change. This will allow both technical and financial options to be reviewed and ensure accurate placement of the service request.
